Second East Kellogg construction project to begin

WICHITA, Kan. – Construction on the second project of the East Kellogg improvement efforts is set to begin the week of September 19, 2016, with road ways to be completed in late 2021 and landscaping and cleanup finished summer 2022, weather permitting.

Work will consist of a six-lane freeway on US 54/Kellogg Avenue between Greenwich and K-96 and constructing ramps for southbound I-35/KTA to westbound US 54 and eastbound US 54 to both northbound and southbound I-35/KTA. See the project illustration here:

Construction will occur in phases, beginning with utility relocation. Frontage roads and select ramps to KTA are planned next followed by construction on Greenwich and Kellogg. Remaining KTA ramps will complete the contract.

This project, along with the Kellogg and Webb project, is a partnership between the Kansas Department of Transportation (KDOT), the City of Wichita and the Kansas Turnpike Authority.

More information about the projects including regular construction updates can be found on www.E54ICT.com and on Twitter @E54ICT. Drivers are urged to plan ahead, stay connected and follow roadway direction signs to improve their commute.

Wildcat Construction of Wichita, Kansas, was [awarded](#) this contract for \$90,947,465.03 in August.
