Contracts awarded on two upcoming construction projects

WICHITA, Kan. – The Kansas Turnpike Authority announces bids have been approved and contracts awarded on two upcoming Turnpike construction projects.

Contract #7170 – Rehabilitation of four mainline bridges located two miles south of the South Wichita (I-35/I-135) Interchange in Sedgwick County at mile markers 40.02 and 40.45 I-35/KTA was awarded to Wildcat Construction Co., Inc. & Subsidiaries, Wichita, KS for \$2,983,598.75. Construction can begin on March 11 and shall be completed by October 25, 2019.

Contract #7194 – Deck mill and overlay on bridges in Butler County at mile marker 94 and redeck and widen bridges in Chase County at mile marker 99.96 all on I-35/KTA was awarded to A.M. Cohron & Sons, Inc., Atlantic, Iowa for \$4,817,485.94. Construction can begin on January 7 and shall be completed by December 13, 2019.

Construction details will be available closer to the start date on <http://www.ksturnpike.com> with impacts to traffic posted on <http://www.kandrive.org/>. Construction updates on this and other projects are published monthly in KTA's electronic newsletter. ###

About KTA:

For more than 60 years, the Kansas Turnpike Authority (KTA) maintains 236 miles of user-fee supported roadway from the Oklahoma border to Kansas City. KTA doesn't receive state or federal tax funds. Instead, toll revenue pays for preservation and modernization of the Turnpike system. With the [current long-term plan](#), KTA has outlined 44 projects to enhance safety and the customer experience over the next decade. KTA's mission is to provide safe, economical, high-quality transportation service to its customers.
