

# Eastern Terminal ORT Improvements

MM 217

Lane Changes as of: **August 23**

Westbound Open Road Tolling (ORT) lanes at Eastern Terminal opens Wednesday, August 23.  
Traffic changes include:

- Two new westbound mixed entry (cash and K-TAG) lanes to the far right of the roadway.
- One new westbound electronic (K-TAG or compatible transponder) to the right of the existing roadway.
- Original westbound lanes will close to allow removal of cash toll booths and construction of additional highway speed electronic lanes.

Watch for signage for traffic shifts and reduced speed limits as construction continues.
