## Contracts awarded on upcoming construction projects

WICHITA, Kan. – The Kansas Turnpike Authority announces bids approved and contracts awarded on two upcoming Turnpike construction projects.

Contract #7579 – Painting six bridges, to protect and preserve their structural steel, located between mile markers 3 and 21 on I-35/KTA in Sumner county was awarded to Linder Painting, Inc., Lincoln, NB for \$208,290.00. Details will be available closer to the start date.

Contract #7526 – A project for concrete pavement repairs on port of entry (weigh station) ramps at mile marker 1.7 northbound I-35/KTA in Sumner County was awarded to Vogts Parga Construction, LLC., Newton, KS, for \$112,249.03. Work is expected to begin in August and be completed mid-November, weather permitting.

Details will be available closer to the start dates on [www.ksturnpike.com](http://www.ksturnpike.com) with impacts to traffic posted on [www.kandrive.org](http://www.kandrive.org). Construction updates on this and other projects are published monthly in KTA's electronic newsletter. ###

### **About KTA:**

For more than 60 years, the Kansas Turnpike Authority (KTA) maintains 236 miles of user-fee supported roadway from the Oklahoma border to Kansas City. KTA doesn't receive state or federal tax funds. Instead, toll revenue pays for preservation and modernization of the Turnpike system. With the [current long-term plan](#), KTA has outlined 44 projects to enhance safety and the customer experience over the next decade. KTA's mission is to move Kansas forward by operating a safe, reliable and customer-valued turnpike system in a fiscally responsible, businesslike manner.
