Contract awarded on upcoming construction project

WICHITA, Kan.— The Kansas Turnpike Authority announces a bid has been approved and contract awarded on an upcoming Turnpike construction project.

Contract #7756 – For painting and rehabilitation of five service area water towers was awarded to Cunningham Inc., Joplin, MO for \$479,800. The towers are located at the Belle Plaine (MM 26), Towanda (MM 65), Matfield Green (MM 97), Emporia (MM 132), and Lawrence (MM 209) Service Areas.

Construction details will be available closer to the start date on <http://www.ksturnpike.com> with updates on this and other projects published monthly in KTA’s electronic newsletter. Sign up to receive the newsletter using the form at www.ksturnpike.com/communication.

###

About KTA:

For nearly 65 years, the Kansas Turnpike Authority (KTA) maintains 236 miles of user-fee supported roadway from the Oklahoma border to Kansas City. KTA doesn’t receive state or federal tax funds. Instead, toll revenue pays for preservation and modernization of the Turnpike system. [KTA’s Strategic Plan](#) supports organizational goals with four strategic initiatives. KTA’s mission is to move Kansas forward by operating a safe, reliable and customer-valued turnpike system in a fiscally responsible, businesslike manner.
