

FOR IMMEDIATE RELEASE
March 15, 2021

Two projects to resume on I-35/KTA

WICHITA, Kan.— Construction season is set to begin on the Kansas Turnpike, with two 2020 construction projects resuming the week of March 15, weather permitting. These projects, including linked additional details, and their traffic impacts include:

- [Bridge Redeck and Widening \(Andover\)](#): Project to redeck and widen mainline bridges at MM 55.917, north and southbound, on I-35/KTA. Expect single lane traffic, 65 MPH speed reduction and 12-foot width restrictions.
- [Pavement Surfacing with Ramp Improvements \(El Dorado & Cassoday\)](#): Pavement surfacing project from MM 70.8 to 96.3 on I-35/KTA with ramp improvements at the El Dorado and Cassoday interchanges. Expect single lanes near the plazas through June with daily lane closures following.

Additional information about each project can be found in a monthly construction update by KTA's Director of Engineering on [KTA's construction page](#).

Drivers are urged to check for traffic impacts at www.KanDrive.org, subscribe to KTA Alerts for roadway incident information <http://bit.ly/KHeX6g>, follow the Kansas Turnpike on Twitter, and watch for information on KTA's digital message signs. Construction updates on this and other projects are published monthly in KTA's electronic newsletter. Sign up to receive the newsletter using the form located at the bottom of any page on www.ksturnpike.com.

###

About KTA:

For nearly 65 years, the Kansas Turnpike Authority (KTA) maintains 236 miles of user-fee supported roadway from the Oklahoma border to Kansas City. KTA doesn't receive state or federal tax funds. Instead, toll revenue pays for preservation and modernization of the Turnpike system. [KTA's Strategic Plan](#) supports organizational goals with four strategic initiatives. KTA's mission is to move Kansas forward by operating a safe, reliable and customer-valued turnpike system in a fiscally responsible, businesslike manner.
