EZ GO to serve customers at Towanda, Matfield Green service areas

Wichita, KS – The Towanda and Matfield Green service areas along the Turnpike/I-35 will experience a change in fuel providers. The Kansas Turnpike Authority board has approved the current lease to be reassigned to Carey Johnson Oil Company, commonly known as EZ GO. The transition will take place Tuesday, Feb. 17 for Towanda and Wednesday, Feb. 18 for Matfield Green at 7 a.m. Customers may experience interruptions in service at the c-stores during the transition between retailers. The restaurant operations at these service areas will be unaffected by the transition.

“Our goal is to provide positive, reliable transportation to our customers, and that includes our service areas. This transition to Carey Johnson Oil Company is one way we are making sure that goal is met,” said Steve Hewitt, CEO of the KTA.
